

EXAM: MRCP - ABDOMEN Imaging Department 330-596-7700 Scheduling 330-596-7187		
INDICATIONS:	MRI is a very detailed exam that can show abdominal structures and help to rule out or identify abnormalities.	
CONTRA-INDICATIONS:	Table Limit: 440lbs. Pacemakers, Brain Aneurysm Clips, Some Neurostimulators, Cardiac Defibrillators, Cochlear Implant and some other implants. There are many implants that are MRI safe. You will be contacted by the MRI Technologist to review your medical history and safety for the exam prior to your appointment time.	
HOW LONG WILL IT TAKE AND WHERE DO I GO?	On average this exam will take approximately 25 minutes once on the table. You will be contacted by the Patient Access representative to preregister prior to your arrival. Enter at the main doors go past the waterfall, on the first floor, down the hall to the last waiting room on the right, Imaging Comfort Area.	
PREPARATION:	<u>NOTHING TO EAT OR DRINK FOR 8 HOURS PRIOR TO APPOINTMENT TIME.</u> All piercings and jewelry will need to be removed. If you are unable to remove something it will need to be reviewed directly with the MRI technologist before your appointment. You will be changed into a hospital gown for your exam. If you have concerns about claustrophobia, please discuss with your doctor prior to your arrival.	
PRECAUTIONS:	If you have EVER had exposure to metal in your eyes, you will be asked to arrive 1 hour earlier to have orbit x-rays taken for clearance.	
MEDICATION ISSUES:	If possible, wait to take your medications until after the exam is completed otherwise, only take with a <u>SIP</u> of water.	
WHAT CAN YOU EXPECT:	During the exam the patient will have a piece of equipment placed on or around the specific area to be imaged. That body part is placed into the center of the magnetic field. The patient will then hear a variety of knocking noises. You will be provided with ear plugs or a music headset to minimize the effects of the related noise. It is very important that the patient be able to hold still for the imaging sequences and hold your breath for approximately 15 seconds each time. Should you have any questions, you may contact a MRI technologist at (330)596-7727.
